

The ValueJet 1628WX

Smart Printing Equals Value

Textile/Sublimation Printer

The Mutoh ValueJet 1628WX is capable of printing up to eight colors and is ideal for every day sublimation printing. With the same easy to navigate controls and simple operation as other ValueJet printers, the learning curve is short so you can focus on customers and profits. It's competitive price, ability to print four or eight colors and outstanding performance makes the 1628WX a smart choice for any production minded dye-sublimation printer. Make it your primary printer or add it to the production floor for additional capacity.
