# The ValueJet 628X

Smart Printing Equals Value

Eco-Ultra Printer

The VJ628X is an economical printer with a small footprint that packs a lot of punch for the dollar. Able to fit on a desktop in any print shop, this 24" printer will make a valuable addition to your workflow. And now with three ink configurations offering up to eight colors including CMYK, Lc, Lm, white and metallic inks, the possibilities for creative output are endless. Print high quality 1440 dpi output for photographic output or create custom banners, indoor and outdoor signs or custom labels and stickers for specialty, retail, industrial or commercial applications.
