

## 40oz Handheld Sublimation Tumbler

Top of tumbler

Bottom of tumbler

<b>40oz Handheld Sublimation Tumbler</b>		No Type/Print Area	Print Area
ITEM#: DW40SH-W	DPI: 300	Safety Area (No type)	Bleed
DIMENSIONS: Top: 12.375" x 5.5" Bottom: 9.313" x 3"		COLOR MODE: RGB	
<b>IMPORTANT:</b> Delete, or hide template layer before printing.			

**Note:**

To make a full wrap-around image, remove the handle before wrapping the transfer around the top portion of the tumbler. To ensure proper image transfer on the area underneath the handle, carefully push the handle brackets through the transfer paper. See photo examples.

**IMPORTANT:** The lid and handle must be removed from the tumbler before sublimating in an oven.
